

SAINT JOSEPH'S CATHOLIC SCHOOL

Newsletter #2-September 8, 2017

Football Mania:

Thanks so much for selling Football Mania tickets. We appreciate your extra work with this fundraiser. We will print the winners in the newsletter and also the bulletin each of the 17 weeks of the regular season of play.

We also thank Terry & Jeanne Heller, JoAnn Ramaker, and Jan Ernzen for organizing this fundraiser and for entering all of the tickets into the computer. Good luck to everyone!

Catechetical Sunday:

On Sunday, September 17th we will celebrate Catechetical Sunday at St. Joseph Parish. This is where we recognize everyone who is helping to bring Catholic education to all of our students. We will begin with Mass at 8:30 a.m., followed by an Open House in the school. The PEC will be serving doughnuts and juice in the cafeteria. During this time, you may also check out your child's classroom and see what they have been working on the first few weeks of school.

We will be having students participate in the Catechetical Sunday Mass. Please let Miss Wills know if your family will be attending Mass on the 17th so that she can assign parts to interested students.

Can You Donate?

St. Joseph School will be holding a Blood Drive on Tuesday, September 12th from 3:00-6:00p.m. If we have 20 donors, our school will receive \$250 in grant money to use for our students. I would like to use the money that we receive from the Blood Drives to help with the cost of a bus to attend different field trips.

Items to Collect:

At St. Joseph School, we collect a number of different items. We collect Prairie Farms Milk Caps, Moola Milk Caps, and General Mills Box Tops. We receive money for our school which we use for those extra little items. Please collect these and send them to school with your child. Please share this with family and friends so that they can help us collect these items too.

We also collect IGA bar codes, but this program is going to be discontinued December 1st. If you have any of these bar codes at home, please send them in by the end of October so that I can redeem our points. Thanks for your help with this.

Scrip:

I challenge every family in our school to try our Scrip program. Even if you use them for one item such as gas or groceries, it will help out our school. If you are new to our school, feel free to give Miss Wills a call and she can explain how the program works.
