Prayers Needed:

This past weekend, Mrs. Heller's son was taken by ambulance to Madison Children's Hospital for internal bleeding from a ruptured intestine. Brady is improving and they hope to bring him home soon. I ask that you please keep her son, as well as the Heller family in your thoughts and prayers.

Football Mania:

For week #4 of Football Mania, Michael Busch has won \$25. Congratulations!

October Dates to Remember:

Friday, October 13th is an 11:00 a.m. dismissal. The buses will run in the morning, but they will not pick up at 11:00. Please arrange transportation for your child for this day.

Thursday and Friday, October 26 & 27 – there is no school on these days.

Vision and Hearing Testing:

Casey, our school nurse, will be conducting vision and hearing tests on two separate days. On Monday, October, 16th Casey will be conducting vision and hearing tests for students in grades 3K and also grades K-5. On Tuesday, October 24th, Casey will be conducting both vision and hearing tests to the 4K students.

Mulligan Baskets:

Thank you so much to everyone who donated money for our classroom Mulligan Silent Auction items. Be sure to check them out on the 15th and place your bid for your favorite one.

Book Mobile:

Megan, the Hazel Green librarian, will be at our school on Thursday, October 19th for bookmobile. Please bring your books back so that you can check out more exciting books to read.

Mid-Term:

We have passed the point of mid-terms and are just a few weeks from the end of the quarter. Since parents in grades 1-8 have parental access to your child's grades in Teacher Ease, feel free to go into your account and check your child's academic progress. Let me know if you have any questions.

St. Joseph Christmas Program:

I know that Christmas is a few months off, but please mark your calendars for our St. Joseph School Christmas Program. This year our program will be held on Wednesday, December 13th at 6:30 p.m.

This program will be for all students at St. Joseph School (3K-8). It is always a great program and we hold a small social afterwards for your family, relatives, and friends. Please mark your calendars now. More details will follow later.

Scrip:

The Scrip program earned a \$328.84 profit for the month of September. Great job!

Again, I encourage everyone to give Scrip a try. Remember that all of the profits come right back to the school to help our students. We appreciate your support for this program.
